The cost of these services includes the use of valuable resources and time, both of which are allocated exclusively for your scheduled session.

◆ Personalized Approach: Each client's journey with us is customized and personalized to cater to their specific requirements. From the initial consultation to the actual treatment, we dedicate our resources and efforts to ensure your satisfaction.

◆ Informed Consent: Prior to any procedure, we provide a detailed explanation of the treatment process, potential outcomes, and any associated risks. We encourage you to ask questions and seek clarity so that you can make an informed decision before proceeding with the treatment.

We are committed to delivering the best possible outcome for each client, and we strive to exceed your expectations.
